Research Associate	Grattan Institute	July 2014 – July 2015
Research Assistant	CeRAPH	Jun 2013 – Jun 2014
Research Officer/Research Assistant	NATSEM	Jan 2012 – Jun 2013
Academic Intern	NATSEM	Aug 2011 – Dec 2011

Education and Training

Master's in economics	Monash University	Completion in 2018
Bachelor of Applied Economics	University of Canberra	2011

Technical skills

- Proficiency in using a number of statistical packages in R to build models, create attractive data visualisations, and interactive plots and apps
- Skilled in using STATA to develop econometric models
- Experience in using Excel to analyse data
- Experience in using other programs like SAS, SPSS, and AMOS for building structural models
- Experience in using Github to share and collaborate on code

Employment History

Data Analytics Consultant

Self Employed

March 2018 – present

- Advising education institutions on techniques that can be used to identify the impact of their program on students
- Using a Melbourne based Ed tech firm's administrative data to draw insights about performance and outcomes of their students
- Building econometric models to evaluate the impact of education programs

Senior Advisor, Innovation policy and data analytics

RMIT University

July 2015 – July 2018

- Working with the Shape RMIT team, developing the metrics used in the strategic plan
- Collecting data from various sources and analysing this to produce visualisations and reports for use by the Vice Chancellor's Office
- Modelling the impacts of government's education policy measures on students
- Building models of student outcomes to identify student's most likely to drop out of university

Research Associate

Grattan Institute

June 2014- July 2015

Working on the Productivity Growth and Higher education teams analysing current policy settings and investigating opportunities for regulatory reform

- Working with limited data to project and forecast the effects of change in policy
- Researching the impact of lost superannuation accounts on costs to Australians
- Communicating results of analysis in the appropriate format
- Engaging in meetings with key stakeholders including key policymakers

Research Assistant

Centre for Research and Action in Public Health (CeRAPH), University of Canberra

June 2013 – June 2014

Developing a social marginalisation model and assisting in building a latent variable model to analyse attitudes to climate change.

- Identifying and negotiating access to data sources
- Conducting analysis and developing models to shed light on seemingly immeasurable problems
- Writing high quality reports and delivering presentations to a variety of audiences

Research Officer/Research Assistant

National Centre for Social and Economic Modelling (NATSEM), University of Canberra

January 2012 – June 2013

Working on a broad range of issues including youth social exclusion, education and innovation, workforce vulnerability and homelessness.

- Conducting literature reviews and working on fast-paced consultancy projects
- Analysing data and constructing models to better understand public policy problems and interventions
- Collaborating with other researchers, including drafting sections of major reports
- Presenting research at various conferences and workshops

Academic Intern

National Centre for Social and Economic Modelling (NATSEM), University of Canberra

August 2011 – December 2011

Building a cost model for residential aged care and forecasting this over the next three decades under the Health, Aging and Disability Team, which was used as background for important PhD research on the same topic. In addition I also researched subjective well-being among agricultural communities in the Murray-Darling basin, which was used in a journal article.

Other Experience

Volunteer Tutor	AMES Australia	Sep 2015- Nov 2017
Intern	E-magine Foundation, Australia	Aug 2011-Dec 2011
Airport Operations, Summer Staff	Etihad Airways, Abu Dhabi, UAE	May 2011- Jul 2011
President (Volunteer)	International Students' Association, University of Canberra	Jan 2011-Dec 2011
Vice President (Volunteer)	International Students' Association, University of Canberra	Dec 2011-Jul 2012
International Student Advisor (Volunteer)	University of Canberra Students' Association	Oct 2010-Oct 2011
International Student Ambassador (Honorary)	ACT government	Jul 2011-Jun 2012
